LWRWC Volunteer Opportunities

Volunteering is an altruistic activity with many benefits such as skill development, socialization, and fun. Enhance your enjoyment of the LWR Women's Club and volunteer for the events listed in this program. Whether it is time spent greeting attendees, helping with registration or a more involved role every member's contribution is valued. Without your support, we cannot succeed. The club belongs to you.

Comments from Members on Their Experiences

"By helping with the bazaar I met some fun ladies who are now a valued part of my social circle."

"Volunteering with decorations helped me overcome my newcomer shyness. Working with other members on a project is a great way to make new friends and discover talents I didn't know I possessed."

"I no longer feel like a stranger since I started helping out at the monthly meetings. Now when I go around town I see women I met at those meetings. Receiving a simple smile and nod makes my day."
