**Summary of LWR Women's Club 501(c)(3) Adopted Charity and the Services They Provide**

**Hope Family Services Inc.:** ([www.hopefamilyservice.org](http://www.hopefamilyservice.org)) was founded in 1979 and began in the home of a dedicated advocate. Within a year a grant was secured to pay off the mortgage, thus, HOPE was established as Manatee County's only domestic violence Safe Shelter. By 1986, services included counseling for the children of domestic violence victims, parenting support and an added full-time outreach counselor for victims. Hope was one of the founding members of the Domestic Violence Council in Manatee County and by 1996 saw the inception of a new program called "Community Policing". HOPE opened their first thrift shop in 1998 called The HOPE Chest which assists individuals with clothing, furniture and household items. They are in partnership with the Junior League and the Selby Foundation to make the Outreach Counseling office a warm and welcoming, healing place. With media's attention focused on the long-standing epidemic of domestic violence and abuse, community awareness of HOPE's mission continues to grow.
